Dec 20th last class day,
resuming January 6th, 2020.

Special Dates:

Dec 2nd - Christmas

Concert at Balzac Hall.

Dec 18/19th - Christmas

Party (Crazy Sweater days)

What happened last month:

Special music visits from Mr. Jack, Mr. Larry and our very own Mr. Brian from I'm for Kids lead our singing with his guitar. The children enjoyed nature walks this month discovering the many changes happening during the season of fall. We all sang songs about the leaves changing and talked about the kind of clothing we need to wear as the months get colder.

Things to look forward to this month:'

This month the children will be excited about the holidays and the traditions that their families follow. We have many families from a variety of different cultures/religions who celebrate different holidays. We would love to have family guests come in to share these differences with us during our pre-school day. The children have been and will be practicing for our Christmas program, they are excited to perform for their families and friends on Dec 2. We will be collecting non-perishable food items that day to donate to the food bank if you have a donation.

Show & Tell:

Children shared their personal musical instruments.

Special Guest last month:

A wonderful time with Mr. Jack and Mr. Larry singing along and listening to their musical talents.

Questions or Concerns?

Please see Mrs. Doreen after class or email her at:
